

Nautilus

KILROY

Where Innovation Works

 **CUSHMAN &
WAKEFIELD**

Designed for Discovery

Nautilus, a four-building life science campus, brings innovation to the heart of Torrey Pines — ever evolving from the ignition of discovery to production.

Surrounded by the best in research and the best in nature, the campus is rooted in human-centered design and sustainability. At Nautilus, care, quality, and experience shine through every detail.

Just steps from the research bench, tenants enjoy an on-site café, conference center, fitness & wellness center, conservation garden and event lawn. Rugged sandstone cliffs, coastal bluffs, and sweeping views of the Pacific Ocean are right at your fingertips.

The Kilroy Experience

Designing places where innovation thrives

Kilroy Realty is a leading West Coast real estate company, with over ~25M sq. ft. of operating portfolio and development pipeline, focused on creating sustainable, high-quality workplaces that support tenant well-being and contribute positively to the environment and community.

Sustainable, Innovative Design

- Kilroy properties emphasize sustainable design and practices, aligning with tenants' environmental goals.
- Buildings feature top-tier amenities, along with retail, public art, and community spaces, creating dynamic environments for work and leisure.

Tenant-Focused Management

- Kilroy's property management approach includes sustainability-focused programs and proactive support to enhance tenants' experience.
- Workspaces are designed to promote employee well-being and foster a sense of community, making them attractive to companies in tech, media, life sciences, and other innovative industries.

Kilroy is Driving Environmental Progress through Design & Operations

Our vision is to improve the environmental and social performance of our portfolio and Company, while delivering long term value to our tenants, employees, communities, and shareholders. Our sustainability efforts are broad, and include a focus on energy, carbon, water, waste, and health & wellness. This commitment to sustainable and healthy practices positions Kilroy as a leader in the real estate industry.

Kilroy properties are designed and operated to the highest standards, with many achieving LEED, ENERGY STAR, and Fitwel certifications. Kilroy is proud to have achieved carbon neutral operations since 2020, accomplished through a focus on energy efficiency, onsite and offsite renewable energy, renewable energy certificates, and verified carbon offsets.
